

EUROPEAN COMMISSION
Office of the President Mr Jean-Claude Juncker

Head of Cabinet

Brussels, 10. 12. 2014
JUNCKER (2014) 3844019

Dear Mr Selvagio,

Thank you for your letter of 14 November, co-signed by two of your colleagues, about the Joint Research Centre's support for EU policies through independent scientific advice. President Juncker has asked me to reply to you on his behalf.

As President Juncker communicated to you in his response to your previous letter, he is still reflecting on how to institutionalise independent scientific advice to the Commission in the future.

Your letter constitutes a valuable input into this reflection process.

Yours sincerely,

Martin Selmayr

Mr Gianfranco SELVAGIO
