Ref.: Procedure for the elections of the Staff Committee" ("Electoral Regulation") as adopted by the General Meeting of the public officials on 21 November 2011

Following my note dated 23/01/2015 (*Ref. Ares(2015)284075*), the present is to transmit the individual positions of the Ispra/Seville Trade Unions and Staff Associations on the possible introduction of the electronic voting in the framework of the above-mentioned elections as follows:

✓ *In favour*

- U4U
- R&D Ispra
- FFPE Ispra
- Generation 2004

✓ *Against*

- ISCA Ispra/Seville
- TAO-AFI Ispra
- Save Europe Ispra/Seville
- CISL-FIR
- US Ispra/Seville

In addition, I acknowledge that, following the outcome of the Plenary Meeting held on 10/02/2015, the Ispra/Seville Local Staff Committee is *against* the introduction of such an election method.

In your capacity as the outgoing President of the Ispra/Seville Local Staff Committee, you may now proceed with proposing a specific motion during the General Meeting, scheduled for 25 February 2015, with a view to obtaining the staff's position on whether or not to adopt the electronic voting.

The staff's stance on the matter shall be transmitted to the Electoral Office, which, prior to the publication of the notice of election (*i.e. 20 working days before the elections*), will formally decide on the election method to be adopted, namely in the event of unpredictable technical issues rendering it impossible for the electronic voting to be used (*see Final transitional provisions of the "Electoral Regulation"*).
